BRING WITNESS TO LOVE TO YOUR COMMUNITY!

“If you are married and want to fight evil, die to your pride and love your spouse in every little way. There is nothing the devil can't stand more than a happy married couple that is growing holy together. The reason is that marriage is a sacrament and is holy. Christ is present in a sacramental marriage. Be one. Love each other. Pray together. Be each other's best friend.”

- Fr. Victor Perez | Witness to Love Pastor
